

APRIL 

planting for the future

UNEP Champions of the Earth 2007 Corporate Partner

Welcome to April

Asia Pacific Resources International Limited (APRIL) is a leading developer of fiber plantations with one of the world's largest pulp and paper mills. Our vision is to be one of the largest, best-managed, most profitable and sustainable pulp and paper companies in the world, and be a preferred supplier to our customers and the preferred company to our people. As a major producer of fiber, pulp and paper, APRIL knows it has a fundamental role in developing ways to meet the world's growing demand for these products, while integrating sustainability in our operations.
