Transform your diaper bag into a baby seat
in just seconds

hoppop®

Welcome to Baby Art

White Heart is the sole distributor of original Baby Art and Hoppop products for the Middle East. Baby Art is the worldwide leader in original and unique baby products. All products are 100% baby safe with numerous certifications. Baby Art products have received many achievements and awards recognized by leading governing bodies worldwide. With a large clientele, White Heart has a high reputation with reputable baby product suppliers. The company is constantly developing innovative products and has now designed and produced a brand new product: "HOPPOP" a smart baby change bag that can transform the diaper bag into a baby seat in seconds.
